Groundwork with horses consists of exercises that you do with your horse while you stay on the ground and lead the horse on a (rope) halter, cavesson or neckrope and a long lead rope. Groundwork is a very important part of the training of horses in the Horsemanship Training system. Many groundwork exercises exist and they can be divided into five main groups.

~~Groundwork exercises: the 5 basics your horse should know~~

Groundwork is an important part of your horse's training, and the lessons he learns through groundwork can transfer to his work under saddle. Make sure to do these five great groundwork exercises with your horse to enhance his training.
