The D/W series was a line of

File Type PDF 1965 Dodge Truck Pickup Owners

pickups that was sold by Dodge from October 1960 to September 30, 1993. The same basic design was retained until the October 1993 introduction of a completely redesigned Ram. The D/W-series shared its AD platform with the Dodge Ramcharger/Plymouth Trail Duster twins. 4x2 models were designated D, while 4x4 models were designated W.
