To test our wiring we're going to use part number I26, just a simple plug-pin four-pole tester. Now we'll start with our running lights, now our left blinker, our right blinker, and our brakes. Now with everything working as it should, that's going to complete our installation of the CURT t-connector vehicle wiring harness with the four-pole flat trailer connector, part number C56217, on our 2014 Toyota Highlander.
