NEW YORK TIMES BESTSELLER • Immortal Faerie and ancient feuds, secrets and sacrifices—a thrilling new chapter in the bestselling Fever series begins, featuring Dani, Ryodan, and other beloved characters, as they battle to save Dublin from the rising of a terrifying evil determined to enslave the human race. There is no action without consequence. Dani O’ Malley was nine years old when the delusional, sadistic Rowena transformed her into a ruthless killer. Years later, Dani is tough and hardened, yet achingly vulnerable and fiercely compassionate, living alone by her own exacting code. Despite the scars on her body, and driven by deeper ones carved into her soul, no one is more committed to protecting Dublin. By day she ensures the safety of those she rescues, by night she hunts evil, dispensing justice swiftly and without mercy, determined to give to those she cares for the peace she has never known. There is no power without price. When the Faerie Queen used the dangerously powerful Song of Making to heal the world from the damage done by the Hoar Frost King, catastrophic magic seeped deep into the earth, giving rise to horrifying, unforeseen consequences—and now deadly enemies plot in the darkness, preparing to enslave the human race and unleash an ancient reign of Hell on Earth. There is no future without sacrifice. With the lethal, immortal Ryodan at her side, armed with the epic Sword of Light, Dani once again battles to save the world, but her past comes back to haunt her with a vengeance, demanding an unspeakable price for the power she needs to save the human race. And no one—not even Ryodan, who would move the very stars for her—can save her this time. MacKayla Lane ’ s life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she ’ s your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac ’ s cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister ’ s killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . . As Mac delves deeper into the mystery of her sister ’ s death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac ’ s true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . . NEW YORK TIMES BESTSELLER • MacKayla Lane faces the ultimate threat when war breaks out between the kingdoms of shadow and light, as the Fever series races to an explosive revelation. From the moment MacKayla Lane arrived in Dublin to hunt her sister ’ s murderer, she ’ s had to fight one dangerous battle after the next: to survive, to secure power, to keep her city safe, to protect the people she loves. The matter of who ’ s good and who ’ s evil can be decided by the answer to a single question: Whose side are you on? Now, as High Queen of the Fae, Mac faces her greatest challenge yet: ruling the very race she was born to hunt and kill—a race that wants her dead yesterday, so they can put a pure-blooded Fae queen on the throne. But challenges with her subjects are the least of her concerns when an ancient, deadly foe resurfaces, changing not only the rules of the game but the very game itself, initiating a catastrophic sequence of events that have devastating consequences and leave Mac questioning everything she ’ s ever learned and everyone she ’ s ever loved. Now begins an epic battle between Mortal and Fae, Seelie and Unseelie, would-be kings and would-be queens, with possession of the Unseelie King ’ s virtually unlimited power and the fate of humanity at stake. From the exquisite, deadly gardens of the High Queen ’ s court, to long-forgotten truths found in the Sacred Grove of Creation, from the erotic bed of her enigmatic, powerful lover to the darkest, seductive reaches of the Unseelie Kingdom, Mac ’ s final journey takes her places no human has been before, and only one human could possibly survive . . . One who ’ s willing to sacrifice everything.

In Karen Marie Moning's latest installment of the epic #1 New York Times bestselling Fever series, Mac, Barrons, Ryodan, and Jada are back—and the stakes have never been higher and the chemistry has never been hotter. Hurtling us into a realm of labyrinthine intrigue and consummate seduction, Feverborn is a riveting tale of ancient evil, lust, betrayal, forgiveness, and the redemptive power of love. When the immortal Fae destroyed the ancient wall dividing the worlds of Man and Faery, the very fabric of the universe was damaged, and now Earth is vanishing bit by bit. Only the long-lost Song of Making—a haunting, dangerous melody that is the source of life itself—can save the planet. But those who seek the mythic song must contend with old wounds and new enemies, passions that burn hot and hunger for vengeance that runs deep. The challenges are many: the Keltar at war with nine immortals who've secretly ruled Dublin for eons, Mac and Jada hunted by the masses, the Seelie queen nowhere to be found, and the most powerful Unseelie prince in all creation determined to rule both Fae and Man. Now the task of solving the ancient riddle of the Song of Making falls to a band of deadly warriors divided among—and within—themselves.
