more detailed information on Adobe Admin Console and on each of the steps at the Enterprise page. As the IT Administrator of your school, if you already have Adobe products, Spark with Premium Features is available on your Adobe Admin Console.

Adobe Enterprise Administration Guide
DC products support NUL and user management via the Admin Console. The Console supports managing single user and group entitlements for all Adobe products as well as Single Sign-On. It also provides tools for managing software, users, and devices and support multiple ID types. With NUL, end users simply “activate” Acrobat by logging in to any VM or machine.
