American Realism was a style  
in art, music and literature  
that depicted contemporary  
social realities and the  
lives and everyday  
activities of ordinary  
people. The movement began  
in literature in the  
mid-19th century, and became  
an important tendency in  
visual art in the early 20th  
century. Whether a cultural  
portrayal or a scenic view

The realism art movement of the nineteenth century was a dramatic shift from the exotic and poetic Romanticism that dominated the art world in the decades prior. Literary realism, in particular, introduced a new way of writing and a new generation of authors whose influence can still be seen in American literature and English literature to this day.

Realism (REEL-iz-um), or literary realism, is an era of literary technique in which authors described things as they are without embellishment or fantastical plots. Works of literary realism shun flowery language, exotic settings and characters, and epic stories of love and heroism. Instead, they focus on everyday lives and people in ordinary times and places.

~~Periods of American Literature | Britannica~~  
Literary realism is a literary genre, part of the broader realism in arts, that attempts to represent subject-matter truthfully, avoiding speculative fiction and supernatural elements. It originated with the realist art movement that began with mid- nineteenth-century French literature (Stendhal), and Russian literature (Alexander Pushkin).
