Language Attrition and Relearning in Adulthood (Charles B. Chang - Poliglotar 2020) An Introduction To Psycholinguistics Danny Also taking into account the extensive growth in theory, research and practice, this new edition is an accessible and focused introduction to the key issues and the latest research in the field of psycholinguistics. Danny D. Steinberg is Professor Emeritus of Surugadai University and has previously taught at University of Hawaii and Rikkyo University.

An Introduction to Psycholinguistics (Learning About ...

An Introduction to Cognitive Linguistics carefully explains the central concepts of categorization, of prototype and gestalt perception, of basic level and conceptual hierarchies, of figure and ground, and of metaphor and metonymy, for which an innovative description is provided. It also brings together issues such as iconicity, lexical change, grammaticalization and language teaching that have profited considerably from being put on a cognitive basis.
