students to the cognitive process while teaching them to develop their higher-order thinking and language abilities. A number of distinctive characteristics make the text an effective tool for both instructors and students. Exercises, discussion topics, and writing assignments encourage active participation, stimulating students to critically examine their own and others' thinking.

Welcome back to Cedar Cove! Visit with the characters you know and love, discover new ones, and learn what new mystery is keeping the charming town—and Judge Olivia Lockhart—busy! Only in this beloved series by #1 New York Times bestselling author Debbie Macomber. In a small town where everyone is friendly, it ' s unusual to have a mystery. But private investigator Roy McAfee and his wife, Corrie, have been receiving anonymous postcards with cryptic messages, and no one can figure out what they mean. It feels as though someone from their past might be trying to shake things up. Their daughter, Linnette, has moved to Cedar Cove to work at the new medical clinic. When her mother buys her a date at the humane society ' s fundraiser auction, she is less than enthusiastic about it. But maybe she ' s one more step closer to finding the true love she ' s been seeking. Previously published

This book explores pilgrimage as experienced in Buddhist, Christian and Muslim faith communities. It addresses shared goals of personal development and communal solidarity as deep human needs. Unique in scope, this richly illustrated catalogue addresses religious diversity in a global perspective. Dating from the 12th century to the present day, 95 historical mementos of pilgrimages provide the focal point for a collection of essays by leading international scholars.
