vocational English, and it provides a systematic approach to instruction in writing used on the job. This book is divided into two parts. Part one ... provides lessons and materials for a course in vocational English. Each chapter describes one unit in which students master a particular skill or complete a writing assignment. Detailed daily plans are provided, and at the conclusion of each chapter reproducible worksheets for the unit are included. Part two of the book ... provides lessons and materials for language development.-Introd.
