millennium--literally. With its new capabilities, the software can enter the year 2000 with a level of ease. As a new addition to the series, this book includes the new "SideNotes" and the "also known as" indexing method to help users gain a better understanding.

This matte 6"x9" contemplative composition notebook journal is great for folks to write down their notes about their favorite bands. This portable book can even be used as a free-form planner (that you can use to plan your "accidental" celebrity run-ins). It has 120 lined pages and a cover that has an affirming fan message. Quiet reflection has been shown to calm the mind and help retain information. Create a fabulous ritual and reap the benefits!
