If you 've dabbled in self-help content, chances are you 've heard of this book, or at least Tim Ferriss (his podcast is also wildly successful). He 's kiiiinda amazing, at least if you 're into time management and being effective in life. Maybe a bit intense, but there are really good nuggets among his sometimes crazy ideas.

A blend between a memoir, a psychological investigation and a self-help book, Frankl delivers a powerful message: finding meaning lies at the core of being human. From his own experience as a psychiatrist combined with anecdotes from his time in the concentration camps, he tells us how important it is to find meaning in our own lives and what we can become if we don't.
