Introduces the Aztecs, including when and where they lived, clothing, everyday life, food and drink, religion, human sacrifice, and warfare.

Synopsis coming soon.....

For those foolish enough to have read "The Name of this Book is Secret" and too foolhardy to have turned away from "If You're Reading This, It's Too Late", the third book in the series is best avoided. This book contains none of the following: A cursed Aztec artefact, an evil and deranged chef, a secret jungle lair inhabited by cocoa-crazed monkeys, the most dangerous chocolate ever created. Never visit www.keepthesecret.co.uk if you know what's good for you. "What child could resist it? A deliciously dark and chocolatey book full of big chunks of crazy humour and a cast of mouth-watering characters... "This Book is Not Good for You" is actually very good for you...the teasing, topsy-turvy world created by the scrumptious Mr Bosch is guaranteed to have you laughing all the way to the next instalment." - Lancashire Evening Post

This new edition introduces young readers to the wonders of the past. Filled with historical information, from the first people, farmers, cities and civilisations all the way to the World Wars and the modern day, this text answers such questions as 'What were the pyramids for?' and 'who lived in the Forbidden City?'

This information book provides a simple introduction to the world of the ancient Maya. It describes their bustling cities and tall temples, their religious beliefs, the customs of their kings and nobles, and their passion for cacao.

Brer Rabbit and Brer Fox are always up to mischief. Now Brer Fox has the perfect plan to stop Brer Rabbit once and for all. Specially written for beginner readers, this lively tale is brought to life by charming illustrations and accompanying audio narration. "Irresistible for children learning to read." - Child Education Plus

Discover all the foul facts about the Angry Aztecs, including why the Aztecs liked to eat scum, when the world is going to end and their horrible habit of drinking live toads in wine. With a bold, accessible new look and revised by the author, these bestselling titles are sure to be a huge hit with yet another generation of Terry Deary fans.

An illustrated encyclopedia of world history, arranged chronologically, which includes directories of web sites useful for topics, as well as links to corresponding web sites provided by Usborne Publishing.

From simple facts about the Sun, Moon and stars to exciting accounts of Moon landings and eclipses, this book will fascinate young children just learning to read. Illustrated with colour photographs and diagrams, this carefully written book will encourage young children to read and find out more about the Universe.
