her focus on students and what they need to be successful. This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. **ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

Rex Feral kills for hire. Some consider him a criminal. Others think him a hero. In truth, he is a lethal weapon aimed at those he hunts. He is a last recourse in these times when laws are so twisted that justice goes unserved. He is a man who feels no twinge of guilt at doing his job. He is a professional killer. Learn how a pro gets assignments, creates a false identity, maizes a disposable silencer, leaves the scene without a trace, watches his mark unobserved and more. Feral reveals how to get in, do the job and get out without getting caught.

Department of Homeland Security's budget submission for fiscal year 2005 : hearing before the Committee on Governmental Affairs, United States Senate, One Hundred Eighth Congress, second session, February 9, 2004.

Our Musicals, Ourselves is the first full-scale social history of the American musical theater from the imported Gilbert and Sullivan comic operas of the late nineteenth century to such

recent musicals as *The Producers* and *Urinetown*. While many aficionados of the Broadway musical associate it with wonderful, diversionary shows like *The Music Man* or *My Fair Lady*, John Bush Jones instead selects musicals for their social relevance and the extent to which they engage, directly or metaphorically, contemporary politics and culture. Organized chronologically, with some liberties taken to keep together similarly themed musicals, Jones examines dozens of Broadway shows from the beginning of the twentieth century to the present that demonstrate numerous links between what played on Broadway and what played on newspapers' front pages across our nation. He reviews the productions, lyrics, staging, and casts from the lesser-known early musicals (the *ÒgunboatÓ* musicals of the Teddy Roosevelt era and the *ÒCinderella showsÓ* and *Òleisure time musicalsÓ* of the 1920s) and continues his analysis with better-known shows including *Showboat*, *Porgy and Bess*, *Oklahoma*, *South Pacific*, *West Side Story*, *Cabaret*, *Hair*, *Company*, *A Chorus Line*, and many others. While most examinations of the American musical focus on specific shows or emphasize the development of the musical as an art form, Jones's book uses musicals as a way of illuminating broader social and cultural themes of the times. With six appendixes detailing the long-running diversionary musicals and a foreword by Sheldon Harnick, the lyricist of *Fiddler on the Roof*, Jones's comprehensive social history will appeal to both students and fans of Broadway.

Murder and mayhem strike when a small group of people are confined to an island in the middle of a New Zealand lake in one of Ngaio Marsh's last and best novels.

For decades now, scholars and politicians alike have argued that the concentration of poverty in city housing projects would produce distrust, alienation, apathy, and social isolation—the disappearance of what sociologists call social capital. But relatively few have examined precisely how such poverty affects social capital or have considered for what reasons living in a poor neighborhood results in such undesirable effects. This book examines a neglected Puerto Rican enclave in Boston to consider the pros and cons of social scientific thinking about the true nature of ghettos in America. Mario Luis Small dismantles the theory that poor urban neighborhoods are inevitably deprived of social capital. He shows that the conditions specified in this theory are vaguely defined and variable among poor communities. According to Small, structural conditions such as unemployment or a failed system of familial relations must be acknowledged as affecting the urban poor, but individual motivations and the importance of timing must be considered as well. Brimming with fresh theoretical insights, *Villa Victoria* is an elegant work of sociology that will be essential to students of urban poverty.

The internationally bestselling Three Worlds epic fantasy cycle *The Fate of the Fallen* was originally titled *Torments of the Traitor* in Australia. *AFTER TEN YEARS OF SERVITUDE*, Nish is about to be released from the blackest prison of the maimed God-Emperor, Jal-Nish Hlar, his corrupt father. Jal-Nish holds the two sorcerous quicksilver tears, Gatherer and Reaper, and with them controls all of the Secret Art. All opposition having been crushed, he has begun to remake the world in his depraved image. The only hope of overthrowing him lies in Nish,

whom the oppressed peoples of the world see as a messianic figure, the Deliverer for, as Nish was dragged off to prison a decade ago, he wildly promised to return and cast down his father. Unfortunately Nish is powerless and without allies. But worse, his father wants Nish to become his lieutenant and become as corrupt as he is. Jal-Nish offers Nish everything he has ever desired and, faced with the unbearable alternative of another ten years in prison, he isn't sure he can resist the temptation. Reviews of *The Song of the Tearstrilogy* "Hang on with both hands, because this story waits for no one." Sandy Auden, SFX on *The Fate of the Fallen*. "The final payoff is fantastic. The most unflaggingly inventive storyteller we've seen in years." Sydney Morning Herald on *The Destiny of the Dead* "Unbelievably, Irvine has managed to increase the pace of his story in this third and final volume " for sheer excitement, there's just no one like Irvine around at the moment." SFX on *The Destiny of the Dead*. "This precise and beautifully crafted novel blooms from its ascetic opening to a resonant and rewarding climax. Makes what's currently available on fantasy shelves seem hackneyed and formulaic. Utterly absorbing." Stephen Davenport, Independent Weekly "Whether you like interesting characters, good description or a well thought out world, this book is bound to impress you." Nicole Juliette, Dreamhosters.com "Another blockbuster fantasy series." Colin Steele, Canberra Times.

Spectacular plates reprinted from rare 19th- and early-20th-century English, French, and Spanish manufacturers' catalogs. 400 royalty-free examples inspired by more than 2,000 years of tile designs produced by the civilizations of Islam, Greece, Rome, and Byzantium, among others.
