The book that will "blow you away"*** has a dazzling new look in paperback! Saba has spent her whole life in Silverlake, a dried-up wasteland ravaged by constant sandstorms. The Wrecker civilization has long been destroyed, leaving only landfills for Saba and her family to scavenge from. That's fine by her, as long as her beloved twin brother Lugh is around. But when four cloaked horsemen capture Lugh, Saba's world is shattered, and she embarks on a quest to get him back. Suddenly thrown into the lawless, ugly reality of the outside world, Saba discovers she is a fierce fighter, an unbeatable survivor, and a cunning opponent. Teamed up with a handsome daredevil named Jack and a gang of girl revolutionaries called the Free Hawks, Saba's unrelenting search for Lugh stages a showdown that will change the course of her own civilization. Blood Red Road has a searing pace, a poetic writing style, and an epic love story—making Moira Young is one of the most exciting new voices in teen fiction.

In a distant future, eighteen-year-old Lugh is kidnapped, and while his twin sister Saba and nine-year-old Emmi are trailing him across bleak Sandsea they are captured, too, and taken to brutal Hopetown, where Saba is forced to be a cage fighter until new friends help plan an escape.

All three books in the highly praised Dust Lands trilogy, which MTV's Hollywood Crush blog called "better than The Hunger Games," are now available in a collectible paperback boxed set. In Blood Red Road, Saba is forced to flee Silverlake, a dried-up wasteland ravaged by constant sandstorms, when four cloaked horsemen capture her beloved twin brother Lugh. Suddenly thrown into the lawless, ugly reality of the outside world, Saba discovers she is a fierce fighter—and when she teams up with a handsome daredevil named Jack and a gang of girl revolutionaries, Saba stages a showdown that will change the course of her civilization. The action continues in Rebel Heart when a new enemy arises, and Saba needs all of her warrior's strength just to survive. The stakes only get higher in Raging Star. Because although Saba knows how to fight—she's not called the Angel of Death for nothing—sometimes there are fights that cannot be won. How much will she sacrifice to save the people she loves? This riveting trilogy is "a natural for Hunger Games fans" (Publishers Weekly) that makes an ideal gift.

After rescuing her twin brother from the Tonton, Saba experiences disturbing telepathic visions while being hunted by a cunning enemy.

The much-anticipated, thrilling conclusion to Moira Young's Dust Lands trilogy. When the star reader, Auriel Tai, challenged Saba to seize her destiny and defeat DeMalo and the Tonton, Saba was confident in her purpose. Then she met DeMalo and he confounded all expectations with his seductive vision of a healed earth, a New Eden. DeMalo and Saba had an intense and passionate encounter - physical, emotional and psychic - that changed her life, and now he wants Saba to join him, in life and work, to create and build a healthy, stable, sustainable world...for the chosen few. Jack's choice is clear: to fight DeMalo and try to stop his dangerous New Eden project. Still uncertain, her connection with DeMalo a secret, Saba commits herself to the fight. Joined by her brother Lugh, anxious for the land in New Eden, Saba leads an inexperienced guerilla band against the powerfully charismatic DeMalo, in command of his settlers and the Tonton militia. What chance do they have? Saba must act. And be willing to pay the price.

Davy David, an orphan, lives by his wits in the dead-end town of Brownvale. When a stray dog named George turns Davy's life upside down just days before Christmas, Davy sets in motion a chain of events that forces them to flee. A mischievous wind blows the two of them to a boarded-up museum on the outskirts of town where they meet the elderly recluse, Miss Flint. She has planned one last adventure before her time is up and hires the reluctant Davy and George to escort her. As they travel, the most peculiar thing begins to happen—Miss Flint gets younger and younger with every mile, and her story unfolds along with it. Moira Young's The Road to Ever After is a magical and moving adventure about an unlikely friendship and an unforgettable journey.

A New York Times bestseller and National Book Award longlist selection The first book in a new trilogy from acclaimed New York Times bestselling author Rae Carson. A young woman with the magical ability to sense the presence of gold must flee her home, taking her on a sweeping and dangerous journey across Gold Rush-era America. Walk on Earth a Stranger begins an epic saga from one of the finest writers of young adult literature. Lee Westfall has a secret. She can sense the presence of gold in the world around her. Veins deep beneath the earth, pebbles in the river, nuggets dug up from the forest floor. The buzz of gold means warmth and life and home—until everything is ripped away by a man who wants to control her. Left with nothing, Lee disguises herself as a boy and takes to the trail across the country. Gold was discovered in California, and where else could such a magical girl find herself, find safety? Rae Carson, author of the acclaimed Girl of Fire and Thorns series, dazzles with the first book in the Gold Seer Trilogy, introducing a strong heroine, a perilous road, a fantastical twist, and a slow-burning romance, as only she can.

An orphaned 16-year-old servant in Victorian England finds love while unraveling the secrets of a mysterious society of inventors and their most dangerous creation.

Scavenging from landfills to survive in her post-apocalyptic world, Saba embarks on a quest to rescue her abducted twin brother and teams up with a handsome daredevil and a gang of girl revolutionaries while discovering her fighting talents. 150,000 first printing.

Lucy's Chantress magic will make her the most powerful—and most hunted—girl in England in this "richly and thoughtfully written" story (Publishers Weekly). "Sing, and the darkness will find you." This warning has haunted Lucy ever since she was shipwrecked on a lonely island. Lucy's guardian, Norrie, has lots of rules, but the most important is that Lucy must never sing. Not ever. But on All Hallows' Eve, Lucy hears a tantalizing melody on the wind. She can't help but sing along—and she is swept into darkness. When she awakes in England, Lucy hears powerful men discussing Chantresses—women who can sing magic into the world. They are hunting her, but she escapes and finds sanctuary with the Invisible College, an organization plotting to overthrow the nefarious Lord Protector. The only person powerful enough to bring about his downfall is a Chantress. And Lucy is the last one in England. Lucy struggles to master the song-spells and harness her power, but the Lord Protector is moving quickly. And her feelings for Nat, an Invisible College apprentice and scientist who deeply distrusts her magic, only add to her confusion... Time is running out, and the fate of England hangs in the balance in this entrancing novel that is atmospheric and lyrical, dangerous and romantic.
