Nathan Garrett is asked to help a friend find a serial killer whose gruesome patterns reveal pure evil. Though Nate is powerful, he fears he may be defeated until he remembers why his enemies will not triumph.

How do you keep the people you care about safe from enemies you can't remember? Ten years ago, Nate Garrett awoke on a cold warehouse floor with no memory of his past and the only clues to his identity a piece of paper with his name on it and a propensity toward magic. Now he's a powerful sorcerer and a successful thief for hire, but it turns out that those who stole his memories aren't done with him yet. When they cause a job to go bad, threatening a sixteen-year-old girl, Nate swears to protect her. But with his enemies closing in and the barrier holding back his memories beginning to crumble, Nate is forced to confront his forgotten life in the hope of stopping an enemy he can't remember. Crimes Against Magic is a dark, fast-paced urban fantasy torn between modern-day London and fifteenth-century France.

Long ago, Olympian gods imprisoned the demon Pandora in a human--hope--creating a creature whose only purpose was chaos and death. Remorseful, the gods locked Pandora away in Tartarus, ruled by Hades. Now, centuries later, Pandora escapes. Nate Garrett, a 1,600-year-old sorcerer, is sent to recapture her and discovers her plan to disrupt the 1936 Berlin Olympic Games, killing thousands in a misplaced quest for vengeance. Fast forward to modern-day Berlin, where Nate has agreed to act as guardian on a school trip to Germany to visit Hades at the entrance to Tartarus. When Titan King Cronus becomes the second ever to escape Tartarus, Nate is forced to track him down and bring him back, to avert a civil war between those who would use his escape to gain power. Prison of Hope is the fourth book in the highly acclaimed and action-packed dark urban fantasy series, the Hellequin Chronicles.

A powerful sorcerer. A forgotten past. Hellequin is back, and the end is near. A terrible storm is brewing in London, and Nathan Garrett, the sorcerer known as Hellequin, is the only one who can stop it. But his enemies have other plans. Harnessing the power of an ancient stone tablet, they cast Nate and his allies into another realm, where a bloody conflict rages between creatures twisted by magic. Meanwhile, with his friends' lives in danger, Nate must put centuries of differences aside, and place his trust in one of his greatest foes. Time is running out. Trapped and outnumbered, Nate must use all his wits and power to survive and find his way home before his enemies start a war that could destroy everything he holds close. Welcome to the penultimate chapter of the Hellequin Chronicles.

In the final chapter of the Hellequin Chronicles, secrets will be revealed, friendships tested, and destinies fulfilled. Avalon is under siege. A shadowy cabal, headed by a mysterious figure known only as "My Liege," has launched a series of deadly attacks across the globe, catching innocent human bystanders in the crossfire. Emerging from the debris of battle, Nate Garrett, the sixteen-hundred-year-old sorcerer also called Hellequin, and his friends must stop My Liege once and for all. But powerful forces stand in their way. To save Avalon, they will need to enlist the help of Mordred, once Nate's greatest nemesis, now his most formidable ally. But Mordred is grappling with a dark prophecy that could spell Nate's doom... The fate of the world hangs in the balance. Even if Nate can halt the war, will there be anything left worth saving?

Discover the new Doctor Who classics. When the entire universe is at stake, three different Doctors will unite to save it. The Tenth Doctor is hunting shape-shifting Zygons in Elizabethan England. The Eleventh is investigating a rift in space-time in the present day. And one other - the man they used to be but never speak of - is fighting the Daleks in the darkest days of the Time War. Driven by demons and despair, this battle-scarred Doctor is set to take a devastating decision that will threaten the survival of the entire universe... a decision that not even a Time Lord can take alone. On this day, the Doctor's different incarnations will come together to save the Earth... to save the universe... and to save his soul.

From Steve McHugh, the bestselling author of The Hellequin Chronicles, comes a new urban fantasy series packed with mystery, action, and, above all, magic. Layla Cassidy has always wanted a normal life, and the chance to put her father's brutal legacy behind her. And in her final year of university she's finally found it. Or so she thinks. But when Layla accidentally activates an ancient scroll, she is bestowed with an incredible, inhuman power. She plunges into a dangerous new world, full of mythical creatures and menace--all while a group of fanatics will stop at nothing to turn her abilities to their cause. To protect those she loves most, Layla must take control of her new powers...before they destroy her. All is not yet lost--there is a light shining, but Layla must survive long enough to see it.

Much to the chagrin of his girlfriend, Gia, Repairman Jack doesn't deal with electronic appliances--he fixes situations for people, situations that usually involve putting himself in deadly danger. His latest project is recovering a stolen necklace, which carries with it an ancient curse that may unleash a horde of Bengali demons. Jack is used to danger, but this time Gia's daughter Vicky is threatened. Can Jack overcome the curse of the yellow necklace and bring Vicky safely back home? The ninth Repairman Jack novel from F. Paul Wilson brims with murder, international terrorism, sibling rivalry, and a truly infernal device. A mutual tragedy throws Jack together with his brother Tom, a judge from Philadelphia. They've never been close, and it doesn't take Jack long realize that's a good thing. Tom and he are opposites. Still, Tom convinces Jack to go on a trip to get to know each other better. He has a map locating a wreck off the coast of Bermuda and wants Jack to help him find it. Reluctantly Jack agrees. But instead of treasure they find a strange object, part organic, part marmade, known as the Lilitongue of Gefreda. Ancient lore claims that it is a means "to elude all enemies and leave them helpless." The big question is, why does Tom want such a thing? And if the Lilitongue lives up to the legend, where does it take you? No one seems to know. Matters take a bizarre and dangerous turn--no surprise for a Repairman Jack novel--when someone accidentally activates the Lilitongue. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

He doesn't need a weapon. He is the weapon. After losing his powers in an epic battle between good and evil, former sorcerer Nate Garrett finds himself living as a humble human in Clockwork, Oregon. While the world thinks Nate is dead, his friends continue to fight against Avalon and the evil it's intent on spreading. Avalon's forces turn up in Clockwork, and Nate's frustration grows with every passing day his magic doesn't return. He finds himself trying to stop Avalon's plans while hiding from enemies who would destroy everything in their path to see him dead. Avalon's darkness begins to threaten the people Nate cares about, and an old nemesis returns; magic or no magic, he has no choice but to fight. But will Nate see his magical powers reborn before the entire town--and everyone he loves--is destroyed?
