Each small engine manufactured and branded with the Briggs & Stratton Logo serve many types of equipment. The most popular being the lawn mower engine, which every year requires maintenance and sometimes repair. That sentiment rings true for the small engines featured in our snow blowers, pressure washers, portable generators and standby generators too.

The specific Briggs & Stratton repair manual gave me the details I needed on my specific engine, but was short on explanations for understanding some of the basics and problem diagnosis. The B&S manual has less info on theoretical understanding and how-to, which I find to be strengths to Dempsey's book in the 4th edition.
