knowledge about a subject and the concepts or topics covered under a particular subject. Keeping in mind this immense importance and significance of the NCERT Textbooks in mind, Arihant has come up with a unique book containing Questions-Answers of NCERT Textbook based questions. This book containing solutions to NCERT Textbook questions has been designed for the students studying in Class XI following the NCERT Textbook for Chemistry. The present book has been divided into 14 Chapters namely Structure of Atom, States of Matter, Thermodynamics, Equilibrium, Redox Reactions, Hydrogen, Hydrocarbons, Environmental Chemistry, Chemical Bonding & Molecular Structure, The s-Block Elements, The p-Block Elements, etc covering the syllabi of Chemistry for Class XI. This book has been worked out with an aim of overall development of the students in such a way that it will help students define the way how to write the answers of the Chemistry textbook based questions. The book covers selected NCERT Exemplar Problems which will help the students understand the type of questions and answers to be expected in the Class XI Chemistry Examination. Also each chapter in the book begins with a summary of the chapter which will help in effective understanding of the theme of the chapter and to make sure that the students will be able to answer all popular questions concerned to a particular chapter whether it is Long Answer Type or Short Answer Type Question. For the overall benefit of students the book has been designed in such a way that it not only gives solutions to all the exercises but also gives detailed explanations which will help the students in learning the concepts and will enhance their thinking and learning abilities. As the book has been designed strictly according to the NCERT Textbook of Chemistry for Class XI and contains simplified text material in the form of class room notes and answers to all the questions in lucid language, it for sure will help the Class XI students in an effective way for Chemistry.

Competitive exams have been the new approach to life, for all students. Every good college is attainable through a National or Regional Level exam. NCERT Textbooks have become the benchmark for syllabus and theory for these exams. Every student needs to learn these textbooks by heart. But it's always compact and feels short. Simplified NCERT from Arihant is one of a kind reference book which helps student to grasp all key points and concepts in a simple manner which is easy to retain yet clearing all concepts. Chemistry as a subject needs visualization to learn, the latest edition has been made in such a way that you can attain the entire chemistry concept in an easy and interactive language. The book is developed volume wise to cater class wise needs. TABLE OF CONTENT The Solid State, Solutions, Electrochemistry, Chemical Kinetics, Surface Chemistry, Elements ke Isolation ke General Principles evm Processes, The p-Block Elements, The d-and f-Block Elements, Coordination Compounds, Haloalkanes and Haloarenes, Alcohols, Phenols and Ethers, Aldehydes, Ketones va Carboxylic Acids, Amines, Biomolecules, Polymers, Chemistry in Everyday Life

Case studies of economically disadvantaged children and their labor in different Indian industries.

The new Xam Idea for Class XII Chemistry 2020-21 has been thoroughly revised, diligently designed, and uniquely formatted in accordance with CBSE requirements and NCERT guidelines. The features of the new Xam Idea are as follows: 1. The book has been thoroughly revised as per the new CBSE Examination Paper design. 2. The book is divided into two Sections: Part-A and Part-B. 3. Part-A includes the following: · Each Chapter is summarised in 'Basic Concepts'. · NCERT Textbook Questions and Important NCERT Exemplar questions have been incorporated. · Previous Years' Questions have been added under different

sections according to their marks. · Objective Type Questions have been included as per new CBSE guidelines. These include Multiple Choice Questions, Assertion-Reason Type Questions, Passage-based/ Case-based Questions. · At the end of every chapter, Self-Assessment Test has been given to test the extent of knowledge grasped by the student. 4. Part-B includes the following: · CBSE Sample Paper 2020 with complete solution has been incorporated. · Unsolved Model Question Papers have been included for ample practice of the student. · CBSE Examination Paper, Delhi-2020 has been included with complete solution and the solutions of papers of other regions are provided as QR code at the end of the book.

The book that inspired the major new motion picture *Mandela: Long Walk to Freedom*. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. *LONG WALK TO FREEDOM* is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph.
