The Apology is Plato's account of the trial of Socrates. In his defense speech, Socrates explains his reasons for following his philosophical path (which is what got him in trouble with the tyrants of Athens). This work is the first in a three-part series of works by Plato about Socrates' last days.

Apology Commentary

Unless Plato had already written some short dialogues to illustrate Socrates' technique of questioning (like the Euthyphro), the Apology of Socrates is the earliest thing by him that we have. This would mean that it is the oldest extant document of Greek philosophy -- everything earlier (e.g. Parmenides) was lost and is known only through quoted fragments in later works, like those of Plato himself.

Especially worth mentioning as a distinctive feature of this edition and commentary is the series of 33 essays, incorporating not only the latest views on Socrates and Plato ' s Apology, but also the basic topics of the dialogue. The discussion thus offers both stimulating perspectives on traditional debates, such as the relation between poetry and philosophy or the use of Platonic myths (p.158) and helpful comparisons between ancient, modern and contemporary topics.

Plato ' s Apology of Socrates How you, men of Athens, have been affected by my accusers, I do 17a not know1. For my part, even I nearly forgot myself because of them, so persuasively did they speak. And yet they have said, so to speak, nothing true.

Plato ' s Apology of Socrates

Paul Allen Miller and Charles Platter, two highly respected classicists and veteran instructors, present the Apology in its traditional thirty-three-chapter structure. They amplify the text with running commentary and glosses of unfamiliar words at the bottom of each page; brief chapter introductions to relevant philosophical, historical, and rhetorical issues; and a separate series of thought-provoking essays, one on each chapter.

The outline for the Apology, or " defense, " of the Augsburg Confession has two sets of numbers. Neither set is fully in order because of the way Melanchthon responded to the issues presented by the Pontifical Confutation (see introduction above). The numbers on the left generally correspond with the articles of the Augsburg Confession.

The Apology. The Apology is one of those rare works that gracefully bridges the divide between philosophy and literature. The work is less concerned with asserting any particular philosophical doctrines than it is with creating a portrait of the ideal philosopher. On trial, with his life at stake, Socrates maintains his cool and unwaveringly defends his way of life as unassailably just.
