of landscape architecture, urban and regional planning, and ecological design. It has also left a permanent mark on the ongoing discussion of mankind's place in nature and nature's place in mankind within the physical sciences and humanities.

Design with Nature Wiley Series in Sustainable Design ...

Of course, there's no doubt that "Design with Nature" is a landmark publication in regional planning and landscape architecture, fusing the two masterfully. It contains a cohesive design vision for incorporating an understanding of nature into the ethos of civilization and its development processes.
