Ethics And

World Religions

Cross Cultural

Case Studies

The cases in this book are very thought-provoking and help pastoral care students get into the thick of ethical issues. Each case study has two perspectives from different religions, such as Buddhism and

Online Library

Ethics And

Christianity,

which reveal
both how each
religion

approaches
ethical decision-
making and how
pastoral care
providers can
remain open to
see the values
and benefits of
different
religions.
