Freedom Dreams —USP

Historian Robin DG Kelley envisions Freedom Space, a liberated zone where people play, debate and dream. Limited only by our imaginations, it represents a new, cooperative world. In this seminal work, which charts the work of major black thinkers, Robin DG Kelley wonders how we produce a vision that enables us to see beyond our immediate ordeals and transcend bitterness and cynicism to embrace love, hope and an all-encompassing dream of freedom.

Amazon.com: Customer reviews: Freedom Dreams: The Black ...

Freedom Dreams: The Black Radical Imagination might be described as a history of the collective imagination of black radical social movements during the 20th century, focusing primarily on what people in particular movements dreamed of, what they thought they were fighting for, what they articulated as the " New World " or " New Land. " The book begins with the premise that the catalyst for political engagement has never been misery, poverty, and oppression but hope; the promise of ...
