Provides an overall introduction to the welding process, illustrating most of the common equipment and work techniques for both the home and shop welding.

While square-rigged sailing ships, steamboats and ferries, and ever-larger cruise and cargo-carrying vessels have made their mark on Puget Sound's maritime history, no other vessels have captured the imagination of shore-bound seafarers like tugboats. Beginning in the 1850s when the first steam-powered tugboats arrived in the Sound from the East Coast via San Francisco, company owners and their crews competed fiercely for business, towing ships, log rafts, and barges. The magnetic attraction of powerful, tough tugs both large and small is unexplainable but enduring. This book, featuring about 200 rare historic images and carefully researched text, tells the colorful story of tug boating on Puget Sound.

One of the first books published to deal with the phenomenon of residential schools in Canada, Resistance and Renewal is a disturbing collection of Native perspectives on the Kamloops Indian Residential School(KIRS) in the British Columbia interior. Interviews with thirteen Natives, all former residents of KIRS, form the nucleus of the book, a frank depiction of school life, and a telling account of the system's oppressive environment which sought to stifle Native culture.

With three months remaining of her marriage of convenience, Savannah is ready to say goodbye to her spoiled rich boy of a husband. He's annoying and argumentative and used to always getting his way. Sure, he's hot. And maybe occasionally a little bit sweet. But she doesn't want to stay married to him. Not at all. He needed a wife for a year so he could inherit his grandmother's fortune, and she needed to pay off her family's debts. That's all their marriage has ever been about. So she really needs to stop falling into bed with him.

Anita Lahey's second collection, Spinning Side Kick is a hard-knuckled look at the other half. These lively poems mix a girl-about-town cockiness with an all-too-rare emotional honesty about men, love, and relationships. Whether the subject is a one-man chimney demolition, the lifelong fidelity of seahorses, a lover at war in Afghanistan or a kickboxing match, Lahey confronts the enduring disconnect between the sexes in a language that is slangy and quick, punctuated with jabs. She eyes those moments--in a day, in a life--when the normal clues we rely on disappear, shifting the line between domesticity and danger. In Spinning Side Kick, a talented poet returns with sharper aim.

Physics of Continuous Matter: Exotic and Everyday Phenomena in the Macroscopic World, Second Edition provides an introduction to the basic ideas of continuum physics and their application to a wealth of macroscopic phenomena. The text focuses on the many approximate methods that offer insight into the rich physics hidden in fundamental continuum mechanics equations. Like its acclaimed predecessor, this second edition introduces mathematical tools on a "need-to-know" basis. New to the Second Edition This edition includes three new chapters on elasticity of slender rods, energy, and entropy. It also offers more margin drawings and photographs and improved images of simulations. Along with reorganizing much of the material, the author has revised many of the physics arguments and mathematical presentations to improve clarity and consistency. The collection of problems at the end of each chapter has been expanded as well. These problems further develop the physical and mathematical concepts presented. With worked examples throughout, this book clearly illustrates both qualitative and quantitative physics reasoning. It emphasizes the importance in understanding the physical principles behind equations and the conditions underlying approximations. A companion website provides a host of ancillary materials, including software programs, color figures, and additional problems.

One stormy night, Erin swerves to avoid a dog in the road?only to end up crashing in the river. Struggling from the wreckage, she picks up the abandoned dog and wanders until she finds a clinic. The doctor, Dom, takes them both in; his warmth makes her chest so tight... The next day, out of nowhere, Erin offers to help Dom since he's so busy. Perhaps by his side, she can find meaning that can counter the listlessness she feels.

To rescue the world from an overwhelming evil, Poseidon's warriors have risen from Atlantis. Chief among them is Ven, serving as the King's Vengeance by birthright and by battle challenge. None can conquer him--except perhaps for one human female.... Ven is the most powerful warrior in the Atlantean elite force. He's also a huge fan of bad jokes and bad B movies. He thinks he likes his women to be brainless and forgettable...and then he meets Erin. Erin's heart is filled with vengeance. She lives only for the chance at revenge against those who murdered her family. Now she must partner with a legendary Atlantean warrior whose dark desire threatens to crash through the barriers built around her emotions--and her heart. Caught in the trap of shifting alliances, how long can Ven and Erin resist their awakening passion? Warning: This book contains magic, Atlantis, Poseidon, warriors, shapeshifters, a prince and princess, vampires, bad movies, sibling rivalry, a black sheep, bad boys, paranormal romance, fantasy, a secret brother, a gem singer, laughter, danger, kisses, and a happily ever after. Read at your own risk!

The best-selling author of Need You Tonight follows the experiences of a successful author tom between her alluring BDSM neighbor and a seductive bad-boy musician. Includes a teaser for Call on Me and a bonus short story. Original.

Take Hold of God's Vision for Your Life. A Life that is GREATER. This companion guide to Steven Furtick's life-changing Greater DVD will help you take the next step--and the ones after that--to follow Jesus's call to do even greater things than He did (John 14:12). Drawn from the powerful book Greater--and designed to be used with the Greater DVD--this user-friendly resource shows you how to apply four "greater"--releasing principles from the prophet Elisha's life: · Burn the Plows: Make a decisive break with your old life. · Digging Ditches: Start small and make practical preparations. · Upon Further Review: Live with the knowledge that faith is never wasted. · Strike the Water: Step out to live the greater life God promises. Each chapter includes a study plan that corresponds with the DVD, discussion questions, space for individual reflection, a Bible study, and suggestions for group leaders. Created to ignite your passion and move you forward, the Greater DVD Participant's Guide will inspire you to reach for the greater life--and show you how to get there. DVD not included.
