Australia's best-selling interactive First Aid learner guide, featuring over 30 QR-coded videos throughout the text. Using QR code technology, this book also becomes a video library making learning more enjoyable. Author, John Haines is an ex MICA Flight Paramedic with over 30 years experience in First Aid provision and teaching and this book is seen as the book for delivery of tuition in First Aid Australia wide. Mapped to HLTAID003 Provide first aid (Australian Nationally Accredited unit) for compliance, this book meets ASQA audit requirements.

Achieve high standards in patient-focused care. Health Services Assistance provides complete coverage of core and elective units for assisting in nursing work in acute care. Exercises throughout the text provide students with the means to self-assess and extend their skills and knowledge. Foundation skills are developed early, underpinning understanding of the specialist acute care chapters that follow. Students are encouraged to reflect and contextualise their learning and to practise techniques in small groups. Activities break up the material so information is easier to retain. Self-check, extension activities and discussion questions can be incorporated into an institution's assessment strategy. Health Services Assistance is structured by competency for HLT33115 Certificate III in Health Services Assistance, supporting nursing in acute care, and is packed with specific cases and examples, as well as including additional content on palliative care and mental health. Each chapter addresses a competency, with a volume of learning that underpins the assessment requirements. The book is structured so that elements and criteria are communicated by the section headings. Teach following the qualification structure, using the print book, eBook or LMS integration.

The world's first interactive and best-selling First Aid learner guide. Using QR code technology, this book also becomes a video library making learning more enjoyable. Mapped to HLTAID004 "Provide an emergency first aid response in an education and care setting".

This report highlights progress of the Health Professionals Workforce Plan after 5 years (as at June 2017) on implementation of the strategies and actions by all NSW Health organisations with a lead role in delivering the Plan.

This unit describes the skills and knowledge required to work positively with the carers and families of people using the service based on an understanding of their support needs.
