TRANSCENDENCE OF GOD

A transcendent is one who is beyond perception, independent of the universe, and wholly “other” when compared to us. There is no point of comparison, no points of commonality. In contrast, an immanent God is one which exists within — within us, within the universe, etc. — and, hence,

God is both. Both truths must be affirmed. The two ideas must be kept together in biblical balance. Only Christianity has the right mix. Pantheism denies God's transcendence. Deism denies God's immanence. Only Christianity affirms both, especially as we see in the incarnation. The texts stressing both his

In religion, transcendence refers to the aspect of God's nature and power which is wholly independent of the material universe, beyond all physical laws. This is contrasted with immanence, where a god is said to be fully present in the physical world and thus accessible to creatures in various ways. In religious experience

Immanence of God The literal meaning of

Get Free Immanence And Transcendence Of God In

Worship By Jeffrey J
the immanence of God is "to be within" or
"near" in relation to God's creation.

Immanence is closely related to God's
omnipresence, in that God is always
present within the universe, though
distinct from it. God is 'within' the
universe in that God is its sustaining
cause.
