Facts, information, and articles about
the Antebellum Period. Antebellum
Period summary: The Antebellum
Period in American history is generally

Access Free Industrializing Antebellum America The

considered to be the period before the Civil War and after the War of 1812, although some historians expand it to all the years from the adoption of the Constitution in 1789 to the beginning of the Civil War. It was characterized by the rise of abolition and the gradual polarization of the country between
