## Get Free Informed Advocacy In Early Childhood Care And Education Making A Difference For Young Children And Families

Become the active, engaged, and informed early learning advocate that you want to be! The earliest years of a child's life are a crucial time for learning—and right now is a crucial time for us to advocate for the future of our children, families and economy. We need you - educators, parents, partners, and allies - to raise a powerful, collective voice to demand that our nation's policies catch up with the science about the importance of brain development, and the benefits of investing ...

### ~~Become an Advocate | NAEYC~~

Advocacy and Leadership in Early Childhood Education To advocate is to give voice to a particular issue or concern through the processes of persuasion, argument, or direct action intended to draw attention to the cause and propose concrete changes or solutions.

### ~~Advocacy and Leadership in Early Childhood Education ...~~

In the NAEYC Position Statement – NAEYC Standards for Early Childhood Professional Preparation Programs (2009), one of the key elements for professionalism is “engage in informed advocacy for children and families and the profession” which is defined as “ (Early childhood professionals) are aware of and engaged in examining ethical issues and societal concerns about program quality and provision of early childhood services and the implications of those issues for advocacy and policy change.”
