Global Marketing Strategies Part 1

International Marketing Strategy 3rd Edition

Written by the subject's leading academic authorities, this highly readable text (a student favorite) addresses the most challenging task faced by multinational companies—how to deal with globalization and the resulting need for globally integrated strategies. The third edition—in addition to featuring new coauthor Tomas Hult—presents a complete rewrite of all chapters, a more integrated view of eBusiness and service issues, and a new slate of innovative, practical

Business School

What is International Marketing?

Introduction to International Marketing.

International marketing is simply the application of marketing principles to more than one country. However, there is a crossover between what is commonly expressed as international marketing and global marketing, which is a similar term. For the purposes of
