policy makers who are
not only interested in
policy
recommendations, but
also want to understand

And, what is the impact

of entrepreneurship in

education? Through

extensive research and

case studies from some

of the leading
entrepreneurial thinkers
around the world, Alain
Fayolle and Dana

Redford answer these
questions and raise
further issues for debate.
Particular focus is given
to developing university
strategy, public policy
and start-up support as a
means to foster graduate
entrepreneurship. Each
contribution explores
