It's So Amazing! covers even more ground than Robie H. Harris' It's Not the Stork, and gets where tweens probably are in their knowledge about such things: They've gathered a few facts and some half-truths and some things that aren't so true and are embarrassed to admit that they can't tell the difference, with some kids even deciding that they don't want to really know at all, and what's the fuss all about anyway?
