We're not dating, we've never been dating, we're not going to hook up, no way, absolutely not...oh. Oops. My primary focus has always been taking care of were-babies in the interspecies foster care system. I am unapologetically a fierce mama bear shifter and I am completely united with my team behind protecting at-risk were-children. So I have no idea why the appealing scruffy bear shifter PI David Auberon keeps hanging around, asking for sweets, and being charming and flirty. I've certainly got no time for shy solitary bears who can't ask for what they want. But what am I to do when a hideous bad guy shows up and I need to rescue a were-baby, except call on the skills of the handsome and growly PI? And if dodging enemies puts us in a tight spot...well, I'm not against tight spots. Praise for MaryJanice Davidson: "Slow-burn sexual tension and playful paranormal elements make this hilarious, sizzling romance perfect for fans of Kresley Cole's Immortals After Dark series."—Publishers Weekly **STARRED REVIEW** "Davidson is in peak form in this hilarious, sexy, and heartfelt paranormal romance" —Booklist **STARRED REVIEW**

For human Amy Francis, the secluded cabin in Deep Creek is the haven she needs to map out a fresh new start. He's big, burly, and way smarter than your average shapeshifting bear. He's also about to get trapped by own his game. . . Lou Crushek is a reasonable, mellow, easygoing kind of guy. But once someone starts killing the scumbags he works so hard to bust, that really gets under his fur. Especially when that someone is a curvy she-tiger with a skill set that's turning Crush's lone-bear world upside down--and bringing his passion out of hibernation. . . As a member of an elite feline protection unit, Marcella Malone has no problem body-dropping anyone who hunts her kind. But Crush is proving one major pain in her gorgeous tail. The only reason she's joined forces with him is to track down the wealthy human who's got her entire species in his ruthless sights. It sure isn't because Crush's stubborn and contrary attitude is rubbing Cella in all the right ways. . . Rules are made to be broken. Ruthless. Dangerous. Gruesome. I've earned this reputation. I'm mafia. My rules are simple: Rule #1: I take what I want, when I want. Rule #2: Don't get in my way, ever, or you'll see the beast inside. Rule #3: Love is out of the question. I didn't ask for this life. I was born into it. Who knows? Maybe I'll die in it. But before that, there is one thing I have to do... Make sure my daughter can escape the life I couldn't. She is the only thing I live for. Until I meet Lizzie, the owner of the local shifter dating agency. Full lips, beautiful smile and gorgeous curves to die for. Zoe Stewart didn't plan to end up in the woods after she emptied her corrupt boss's bank accounts, but the small town of Bear Creek is the only safe place for her to hide from his minions. Except Bear Creek isn't connected to anything and she might die without fast wifi, even with the handsome brooding lumberjack to look after her. After a walk in the woods goes badly wrong, Zoe discovers her protector is more than he seems. Simon Crawford just wants to run tourists into the backwoods of the Cascades on boutique hunting and fishing trips. When his old battle buddy asks him to look after Zoe for a short time, Simon reluctantly agrees -- and discovers his bear wants her as much as Zoe wants to leave. When a car accident leaves Zoe on the verge of death, Simon saves her the only way he knows: gives her his blood and changes her into a bear. Just as her bear recognizes his and their happily ever after seems just around the corner, Zoe's corrupt boss hunts them both down and threatens to destroy everything Simon has built in Bear Creek. Will Simon's bear hands be enough to save them both, or will their happily ever after end before it even begins?
