Marketing for cultural organizations : new strategies for ...

Cultural organisations have long been protected from the harsh realities of the marketplace by relying on wealthy patrons or public subsidies. But as these sources of finance become more scarce they now find that they have to compete for an audience. Some have adjusted to this new reality, but many have not. This book describes the new competitive environment in which cultural organisations ...

Marketing for Cultural Organizations: Kolb, Bonita M ...

Transforming a nonprofit organization—for example, changing a service model or delivery area, or adding a new set of beneficiaries—is not just an exercise in creating new strategies and processes to accomplish the organization’s mission. It also means evaluating how the existing organization’s culture might positively or negatively influence the change that needs to take place—and then working to adjust the culture, as needed, so that it supports the change.
