Medcomic: The Most Entertaining Way to Study Medicine ...

The comics themselves are beautiful and entertaining. Underneath each one there are little bullet points about said disorder or disease process. However, there are many diseases left out and it isn't very thorough. Use this as something to entertain yourself with when you're burnt out from reading a textbook or a review guide.

Medcomic

Jorge Muniz is the author and illustrator of Medcomic, a project he started in 2013. He has written and illustrated two books, Medcomic: The Most Entertaining Way to Study Medicine (2015) and Sparkson's Illustrated Guide to ECG Interpretation (2018). Jorge is a cardiac electrophysiology PA from Orlando, Florida.

About — Medcomic

Medcomic channels the creativity of cartoons into the field of medicine to make learning medical concepts entertaining and fun. Studying medicine can be tedious and it's often difficult to remember the vast amounts of information required to pass tests and recertification exams.
