The sacred Flower of Life pattern, the primary geometric generator of all physical form, is explored in even more depth in this volume, the second half of the famed Flower of Life workshop. The proportions of the human body, the nuances of human consciousness, the sizes and distances of the stars, planets and moons, even the creations of humankind, are all shown to reflect their origins in this beautiful and divine image. Through an intricate and detailed geometrical mapping, Drunvalo Melchizedek shows how the seemingly simple design of the Flower of Life contains the genesis of our entire third-dimensional existence. From the pyramids and mysteries of Egypt to the new race of Indigo children, Drunvalo presents the sacred geometries of the Reality and the subtle energies that shape our world. We are led through a divinely inspired labyrinth of science and stories, logic and coincidence, on a path of remembering where we come from and the wonder and magic of who we are. Finally, for the first time in print, Drunvalo shares the instructions

Two thousand years ago, the disciple John wrote in his Gospel that Jesus had many "dark sayings," teachings with hidden meanings. Author John Van Auken has made a study of these hidden teachings and, along with the fascinating insights of American mystic Edgar Cayce, he has written a surprising book that reaches beyond Christianity to a new, more universal Christ. This intriguing book explains things like serpent power, maps of heaven, the nature of the soul, and the dynamics of spiritual rebirth. His ability to integrate Jesus' teachings with concepts from other religions and philosophies is remarkable and makes the book a rich, rewarding read.

"My heart is afraid that it will have to suffer," the boy told the alchemist one night as they looked up at the moonless sky." Tell your heart that the fear of suffering is worse than the suffering itself. And that no heart has ever suffered when it goes in search of its dreams." Every few decades a book is published that changes the lives of its readers forever. The Alchemist is such a book. With over a million and a half copies sold around the world, The Alchemist has already established itself as a modern classic, universally admired. Paulo Coelho's charming fable, now available in English for the first time, will enchant and inspire an even wider audience of readers for generations to come. The Alchemist is the magical story of Santiago, an Andalusian shepherd boy who yearns to travel in search of a worldly treasure as extravagant as any ever found. From his home in Spain he journeys to the markets of Tangiers and across the Egyptian desert to a fateful encounter with the alchemist. The story of the treasures Santiago finds along the way teaches us, as only a few stories have done, about the essential wisdom of listening to our hearts, learning to read the omens strewn along life's path, and, above all, following our dreams.

Many in the Church are waiting with expectation for the second coming of Christ. The parable of the wedding feast in Matthew 22 tells us that the Church, the Bride, was invited to the wedding but didn't come. In 2 Thessalonians, Paul warns that the second coming would be preceded by a "great falling away" and Matthew 24 says that if these days were not cut short then even the elect could be deceived. With thousands of Christian denominations preaching a different gospel, let us examine Scripture from the earliest perspective, which is that of the Early Church. The Early Church Fathers were the spiritual sons of the apostles, who learned directly from Jesus. They tell us what the end would be like and unlock the deeper meanings of Scripture. While many today are waiting to be "raptured," these apostolic men believed that the glory of God would first manifest in His Church. The apocalypse, often misunderstood to mean the end of the world, is simply two Greek words put together: apo (to destroy) and kalypto (the veil). The Book of Revelation is about destroying the veil to enter back into the glory of God. These revelatory teachings were passed down and preserved for hundreds of years, yet for the most part the opposite is being taught in the body of Christ today. Jesus tells us in Matthew 17 that "Elijah is coming and will restore all things." This Elijah spirit is upon us now to make the way straight through revelatory teaching of Scripture and to bring the fear of the Lord back to wake up the sleeping Church while there's still time. The Early Church taught that without Elijah preparing and sealing the Church not one would be saved. At the same time, under the leadership of the Catholic Church, a second sealing is taking place, with all major Christian denominations coming into covenant with Islam, Buddhism, and Hinduism, saying there are many ways to God. The great apostasy is here, but nothing will stop this final

move of God. The world will see a full restoration of His glory on Earth as it is in heaven. Through revelation, or an apocalypse, let us step behind the veil to have full access to the glory of God and His redemptive plan for us as His children. For the earth will be filled with the knowledge of the glory of the LORD, as the waters cover the sea (Hab. 2:14).

A guide to the open-heart wisdom and secret rites of passage of thirteen sacred temples in Egypt • Provides information on how to thrive as we move from the Piscean to the Aquarian age • Offers guided meditations and rituals that connect to the ancient power of the Flower of Life, the Djed Pillar, the Ka, the energy body, and more The Temples of Light guides the reader, as the initiate, on a spiritual journey through thirteen of Egypt's sacred temples--a journey into the sanctuary of the open heart. Each sacred site is a portal to ancient wisdom that can assist the modern-day pilgrim with everyday life issues and struggles--love, purpose, money, and health--and the deeper questions of enlightenment and our divine origin. Danielle Rama Hoffman opens up sacred rites of passage that historically have been kept secret to forge a relationship with the temples of Egypt as allies and spirit guides. For example, the temple of Sakkara is associated with abundance; the temple of Abydos with remembering. The initiations in this book awaken intuition and the Sahu--the fully realized self--allowing connections to the power, magic, and wisdom of such sacred symbols as the Flower of Life, the Djed Pillar (the backbone of Osiris), the Ka, and the energy body. Hoffman's guided meditations, rituals, and exercises also raise the reader's vibration level, as we move from the Piscean to the Aquarian age. Embodying the wisdom of the open heart of these temples imparts a shift in consciousness from fear to bliss, from powerlessness to empowerment, opening the body, mind, and spirit to the infinite possibilities within.
