Find out what Siri's got up her sleeve with this fun and friendly guide! Who couldn't use a little extra help these days? Answers, information, reminders, and all sorts of additional help are only a verbal query away with Siri, the artificial intelligence personal assistant. Siri made her debut with the iPhone 4 and is now updated for iOS 6 as well as the third-generation iPad and she is ready to assist! This easy-to-understand guide walks you through the vast array of capabilities that Siri boasts, from creating texts and e-mails from dictation to getting directions to finding a restaurant in the area. You'll discover how to check the weather, get sports scores and schedules, look up a movie review, get Facebook and Twitter updates, make dinner reservations, and much more. Explains how to finesse the perfectly worded questions for Siri in order to get the most helpful and accurate answers Details how to have Siri make phone calls for you, look up information in a dictionary or on the web, or get music Walks you through using Siri to get stock quotes or enter numbers into a calculator and get an answer Shows you how to use Siri to set reminders and alarms, take notes, get turn-by-turn driving directions, and more Just like Siri, the straightforward-but-fun Siri For Dummies is here to help you!

This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com. The field of biotechnology has provided us with radical revisions and reappraisals of the nature and possibilities of our biological existence. Yet beyond its immediate utility, does a life that is healthier, longer, or freer from disease make us 'better' or more moral people? Bioscience and the Good Life explores the complex relationship between modern biosciences and human flourishing, their sympathies and schisms, and the instances of their reconciliation. Here cognitive enhancement, longevity, and the spectacle of excellence in sports, are examined within the context of what constitutes a life well lived. Framing biotechnological innovation in the discourse of duty and ethics, Brassington advances an insightful and involved response to the existing debates between bioscientific optimists and pessimists, one which mediates their differences, and expands the traditional scope of their arguments.

Take a bite out of the new and improved Apple Watch! The Apple Watch is a powerful computer that's worn on your wrist — and can serve as an invaluable companion, anytime and anywhere. Acting as a communication device, fitness and health tracker, and sleek time piece, the Apple Watch keeps you connected —and all hands-free. Apple Watch For Dummies gets you up to speed on the latest updates to WatchOS, and teaches you about all-new features, such as the walkie-talkie. You'll find out how to use it to set and maintain reachable goals for your fitness; monitor your heart rate, detect falls, and track other health-related info; send and receive text messages and emails; use Siri; get directions in real-time; learn about the best apps for work and play; and much, much more! Find tips for picking a watch model Get watch basics for newbies Adjust the settings Learn about the hottest apps Troubleshoot common issues Wrap your head around WatchOS 5 and the updated Apple Watch, even as it wraps around your wrist!

A young boy is worried about what will happen to his body when he hears such expressions as "I'm tongue-tied," "don't give me any of your lip," and "I put my foot in my mouth."

In this contemporary retelling of The Great Gatsby, by comedian Sara Benincasa, a teenage girl becomes entangled in the romance and drama of a Hamptons social circle and is implicated in a scandal that shakes the summer community. When Naomi Rye arrives in the Hamptons to spend the summer with her socialite mother, she fully expects to be miserable mingling with the sons and daughters of her mother's mega-rich friends. Yet Naomi finds herself unexpectedly drawn to her mysterious and beautiful next-door neighbor, Jacinta, a Hamptons "It" girl who throws wild, lavish parties that are the talk of the town. But Jacinta is hiding something big, and events unfold with tragic consequences.

Cotton Trading Manual (CTM) is the first work to provide a comprehensive reference source to the conduct of the complex international cotton market. CTM begins by looking at the history of the cotton trade, and then moves on to assess the current global picture, including a discussion of trends in the market, as well as production and consumption analysis. The third and fourth parts focus on trading in physical cotton and futures respectively. Finally, the last section deals with administrative and management issues within the cotton trade as a whole, such as contracts, insurance and risk management. CTM is an indispensable practical companion for all those involved with trading in this commodity. Comprehensive reference to the complex international cotton market Discusses the history of the cotton trade Assesses the global picture, looking at trends and production and consumption analysis

Due to the emergence of IFRS as the required convention for reporting to stock exchanges in the European Union and other important markets, accountants must gain a strong understanding of these standards. "Intermediate Accounting" integrates this new information throughout the chapters so they'll learn how to apply the new global accounting standards. Global examples are presented to clearly show how the information is utilised in the field. The use of various currencies is also explored, which is critical for accountants to know in today's global businesses environment.

Eleven-year-old Gabriel, with the help of the young raven Paladin, which whom he has a magical bond, travels to the foreboding land of Aviolopolis, where he must face challenges and unanswerable riddles to rescue his long-missing father.

Prince of Hearts: A Victorian Steampunk RomanceLondon: 1896. Airships rule the skies, and automatons run the tracks at Ascot. Since the Great Exhibition of 1851, Her Majesty's Empire has been powered by the Steam Revolution and Welding science. It is a time of glorious innovation and dangerous civil unrest. But Miss Aline Finch, prim, plain career girl, has more important things on her mind than the state of the Empire. After her employer, the handsome but insufferable criminologist, Professor Romanov, hares off for parts unknown in a slightly-illegal dirigible, stranding her in France, she has finally had enough. In a fit of pique, she decides to marry her long-time and very proper suitor, quitting Romanov for good.The last thing the Professor expects to come home to is his secretary's mutiny. Finch's timing couldn't be any more inconvenient, for a serial murderer from Romanov's past has set his sights on her. Romanov must keep her close if he has any chance of protecting her life - and the dangerous secrets the murderer threatens to expose. For the Professor is much, much more than he seems, and the secrets that he keeps are centuries old - and hidden deep in his heart.When the Professor discovers Finch is to wed, however, he is forced to confront the truth of the matter: he doesn't just want his secretary back to protect her. He wants her in his bed. Forever.Aline fights Romanov's seduction, but she's no match for her own unruly desires, or the truth of her own heart. But when the Professor's true identity is exposed, destroying the very foundations of Aline's conception of reality, will the Professor lose her forever? Or will the murderer succeed in his evil plot to destroy them both before they can find their happy ending?Warning: this sensual romance will put the steam in steampunk.

Seemingly isolated from the rest of the world, Channing Bayou, Louisiana, prided itself with being a peaceful, yet typical south Louisiana town. Crawfish, alligator etouffee, and fishing on the Benelux River, were all staples of this small Cajun town, as well as little or no crime rate. All this changed on Halloween 2008, when Channing Bayou was shook to its sturdy core. Melanie Prejean not only committed the crime of the century, but in turn, brought Channing Bayou to its disgraced knees. The whirlwind of events that take place over the next few days following the crime will leave you turning the pages, begging for more. This haunting psychological thriller will keep you guessing all the way to its riveting ending. There is no doubt you will check the closet and under your bed before going to sleep after reading this haunting novel.
