Sacred Skin offers the first systematic evaluation of the cult of St. Bartholomew in Spain. Focusing primarily on flaying, its five chapters explore the paradoxes of hagiographic representation and their complex and ambivalent effect on the observer.

The folksongs of Texas's Mexican population pulsate with the lives of folk heroes, gringos, smugglers, generals, jailbirds, and beautiful women. In his cancionero, or songbook, Américo Paredes presents sixty-six of these songs in bilingual text—along with their music, notes on tempo and performance, and discography. Manuel Peña's new foreword situates these songs within the main currents of Mexican American music.

Gregorio Cortez Lira, a ranchhand of Mexican parentage, was virtually unknown until one summer day in 1901 when he and a Texas sheriff, pistols in hand, blazed away at each other after a misunderstanding. The sheriff was killed and Gregorio fled immediately, realizing that in practice there was one law for Anglo-Texans, another for Texas-Mexicans. The chase, capture, and imprisonment of Cortez are high drama that cannot easily be forgotten. Even today, in the cantinas along both sides of the Rio Grande, Mexicans sing the praises of the great "sheriff-killer" in the ballad which they call "El Corrido de Gregorio Cortez." Américo Paredes tells the story of Cortez, the man and the legend, in vivid, fascinating detail in "With His Pistol in His Hand," which also presents a unique study of a ballad in the making. Deftly woven into the story are interpretations of the Border country, its history, its people, and their folkways.

From masterfully funny and poignant Jordan Sonnenblick, a story that will have everyone searching for their inner Zen. Meet San Lee, a (sort of) innocent teenager, who moves against his will to a new town. Things get interesting when he (sort of) invents a new past for himself, which makes him incredibly popular. In fact, his whole school starts to (sort of) worship him, just because he (sort of) accidentally gave the impression that he's a reincarnated mystic. When things start to unravel, San needs to find some real wisdom in a hurry. Can he patch things up with his family, save himself from bodily harm, stop being an outcast, and maybe even get the girl?
