A complete introductory Spanish course for Healthcare Professionals, Salud! is built around an interactive Video program, allowing you to experience realistic conversation in Spanish in a medical setting. The video is supported by a wealth of explanations, activities, and practice.

An Answer Key to the Student Activities Manual is available separately, giving instructors the option of allowing students to check their homework. The Answer Key now includes answers to all SAM activities.

Gente is the only truly task-based program that transports you, the learner, into an immersive environment. Learners interact with authentic language from the Hispanic world through a series of carefully-sequenced communicative activities culminating in a real-life task. "Tasks" are collaborative projects that integrate speaking, listening, reading and writing to complete them with the skills that are needed to communicate effectively in the real world! With Gente , you learn by doing, communicate with a purpose and emerge as an independent learner with the confidence to speak Spanish in a spontaneous, natural way.

This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Check with the seller prior to purchase. -- Designed with You in Mind The ¡Anda! program provides practical responses to the challenges today's Spanish instructors and students encounter. Instructors now face many challenges: Decreased classroom contact hours, increased instructor and student workloads, larger class sizes, new course models like hybrid and fully online and more ambitious classroom goals including focusing on practical communication and culture awareness instead of grammar alone. The ¡Anda! program offers a true solution for instructors by delivering realistic goals with a realistic approach; focusing on student motivation and offering a variety of tools to promote success. Teaching and Learning Experience Realistic and Balanced Approach – Instructors and students don't have to rush through the entire scope of Spanish grammar in 2 semesters. They can focus on practical communication which helps students feel more motivated and successful in the course. Explore Grammar – Grammar is chunked to allow students to assimilate and practice without feeling overwhelmed. Explanations are clear and concise and include many supporting examples followed by practice activities. Build Vocabulary – Each chapter contains a realistic number of new vocabulary words and like grammar, is presented in chunks at the point of need. Develop Skills – Unique reading and video storyline mystery motivates students to read. Dedicated speaking, listening and writing sections provide strategies and the process necessary to effectively develop skills in the target language. Connect with Culture - Both "high" and "popular" culture are woven throughout the chapters to enable students to learn to recognize and appreciate cultural diversity as they explore behaviors and values of the Spanish-speaking world. They are encouraged to think critically about these cultural practices and gifts to society. Personalize Learning – MySpanishLab's proven results will be available for fall 2012 courses. "When we walk, we have time to talk." The natural human pace is walking. We can run or sprint, but not for long. Eventually, we are exhausted and have to stop. But we can walk almost endlessly. It is actually amazing how far we can go when we walk, ultimately much farther than when we run. The ¡Anda!

program was designed to give students more opportunities to pause and take a breath to take in all that makes up the exciting Spanish-speaking world. ¡Anda!'s streamlined approach to grammar and vocabulary helps instructors slow the pace of Elementary and Intermediate Spanish, giving students time to put language to use. New online resources in MySpanishLab -- such as tools that enable students to practice Spanish with native speakers from around the world and engaging video content that offers insights into Spanish-speaking cultures -- further help facilitate meaningful learning experiences within and outside the classroom.
