I bought the first edition  
of McMurry's Organic  
Chemistry and loved it. It  
has become thicker and it  
has many more pages than  
that first edition, but of  
course it covers many more  
topics. This book has been  
my personal favorite over  
the years. Other OC  
textbooks that I like are  
Fox and Whitesell's and  
Bruice's.
