with new contributions from leading critics and film scholars. Among the additions to this volume are in-depth treatments of two previously unexplored genres--youth cinema and films depicting lower-class settings--considered alongside discussions of popular narrative forms, including J-Horror, samurai cinema, anime, and the Japanese New Wave. Accompanying the critical essays in this volume are more than 150 new film reviews, complemented by full-color film stills, and significantly expanded references for further study. From the Golden Age to the film festival favorites of today, Directory of World Cinema: Japan 2 completes this comprehensive treatment of a consistently fascinating national cinema.
