Sometimes a Peugeot will have its problems, but having a decent service manual will make it possible to isolate, identify and even correct some of these problems, cutting down on any diagnostic work that needs to be done at the garage. A reliable repair guide will make it a lot easier to own and run a car, and provide reassurance to any owner that small problems need not become big ones. Where ...

Anyone who owns the Partner should add the Peugeot Partner service manual to their garage to help them keep it in excellent shape. A panel van is pretty identifiable by how it looks. It is a cargo style van that is meant to carry passengers, but without rear windows. They are rectangle in shape in the back and the front end is typically very aerodynamically shaped. The Partner I was the first ...
