Experiencing, listening to the additional experience, adventuring, studying, training, and more practical actions may put up to you to improve. But here, if you reach not have plenty

High School Physics Final Exam Study Guide

The final exam will cover lecture material from May 7 (Lecture 13 on Rockets and Gravity) through the last lecture (June 6, Lecture 24 on the Frontiers of Physics). While the exam is not cumulative in the strict sense, you will need to remember some of the basic concepts from the first half, like force, work, energy, power. These concepts have continued to play a role in the second half of the course. You may also want to study the transmitter questions we saw in class.
