Pinterest is a social network where people can find inspiration and ideas for their interests and hobbies. Every idea is represented by a Pin, which is an image that is searched and saved by Pinterest users. Pins can also link back to websites, which is why Pinterest is great for driving traffic and sales.

*The Beginner's Guide to Using Pinterest for Business ...*

Pinterest is a search engine just like Google, but instead of scouring through EVERYTHING on the Internet, Pinterest searches content only on its own database. This means, getting people to find your content is a whole lot easier on Pinterest than it is on Google. While Pinterest is a search engine, it has social media like features.
