"This is a must-read for every family that yearns to create peace and harmony. " --Shefali Tsabary, Ph.D., New York Times bestselling author of The Conscious Parent Tired of yelling and nagging? True family connection is possible--and this essential guide shows us how. Popular parenting blogger Rebecca Eanes believes that parenting advice should be about more than just getting kids to behave. Struggling to maintain a meaningful connection with her two little ones and frustrated by the lack of emotionally aware books for parents, she began to share her own insights with readers online. Her following has grown into a thriving community--hundreds of thousands strong. In this eagerly anticipated guide, Eanes shares her hard-won wisdom for overcoming limiting thought patterns and recognizing emotional triggers, as well as advice for connecting with kids

at each stage, from infancy to adolescence. This heartfelt, insightful advice comes not from an "expert," but from a learning, evolving parent. Filled with practical, solution-oriented advice, this is an empowering guide for any parent who longs to end the yelling, power struggles, and downward spiral of acting out, punishment, resentment, and shame--and instead foster an emotional connection that helps kids learn self-discipline, feel confident, and create lasting, loving bonds.

"This is a must-read for every family that yearns to create peace and harmony. " --Shefali Tsabary, Ph.D., New York Times bestselling author of *The Conscious Parent* Tired of yelling and nagging? True family connection is possible--and this essential guide shows us how. Popular parenting blogger Rebecca Eanes believes that parenting advice should be about more than just getting kids to behave. Struggling to maintain a meaningful connection with her two little ones and frustrated by the lack of emotionally aware books for parents, she began to share her own insights with readers online. Her following has grown into a thriving community--hundreds of thousands strong. In this eagerly anticipated guide, Eanes shares her hard-won wisdom for overcoming limiting thought patterns and recognizing emotional triggers, as well as advice for connecting with kids at each stage, from infancy to adolescence. This heartfelt, insightful advice comes not from an "expert," but from a learning, evolving parent. Filled with practical, solution-oriented advice, this is an empowering guide for any parent who longs to end the yelling, power struggles, and downward spiral of acting out, punishment, resentment, and shame--and instead foster an emotional connection that helps kids learn self-discipline, feel confident, and create lasting, loving bonds.

From a popular parenting blogger and the author of *Positive Parenting*, an interactive guide for any parent who wants to foster emotional connection in place of yelling, nagging, and power struggles. With more than one million Facebook followers for her Positive Parenting online community, Rebecca Eanes has become a trusted voice among parents who are looking for a better way -- hoping to dial down the drama, frustration, stress and resentment that's all too common in our hectic times. This inspiring and inviting guide walks readers through the process of charting a new path, toward greater emotional awareness, clear communication, and even joyful moments in parenting (remember those?). Filled with encouraging prompts and plenty of room to record your progress, this is a much-needed addition to the positive parenting shelf -- and a companion to some of the most popular parenting guides on the market.

Connection is the key to joyful parenting and raising emotionally healthy, responsible kids. Make a positive transformation in your home as you let go of fear-based techniques and embrace the philosophy of positive parenting. Filled with practical examples, personal stories, and nuggets of hard-earned wisdom, *The Newbie's Guide to Positive Parenting* has everything you need to change your parenting paradigm and enrich your family life. If you are desperately missing the close bond you once had with your child, if your days are filled with tears and frustration, this book is for you. The relationships we build with our children last a lifetime. Ultimately, love is the only leverage we have with our kids. Fear-based parenting only works as long as it can be physically or emotionally enforced, but love is a more effective motivator over time. Through being kind and firm,

consistent and empathetic, we allow our children optimal development. When the child-rearing is done, the loving bond you have built is what will make your relationship with your adult child fruitful and enjoyable. Positive parenting keeps that relationship intact while teaching and guiding your child to his or her fullest potential.

Draws on the author's Positive Parenting Solutions online course to explain how to correct negative behaviors in children, introducing the psychological theories of Alfred Adler on using empowerment to promote healthy child development.

A supportive guide that gives busy moms permission to care for themselves, from a popular parenting blogger with one million Facebook followers "Would you rather have a perfect mom, or a happy one?" This is the question that popular parenting blogger Rebecca Eanes couldn't get out of her head. So she asked her school-age son, who didn't miss a beat in responding: "A happy one." Thus began a journey of reflection and repair work, as Rebecca asked herself an even harder question: How can I rediscover everyday joy amid the chaos of schedules, homework, and housework--not to mention the guilt, comparisons, loneliness, fear, and overwhelm? In other words, how can I become a happy mom again? In this relatable guide, Rebecca walks readers through the process of getting back to happy, for your own sake as well as your family's. Going beyond the usual advice about finding balance, embracing gratitude, and not sweating the small stuff, her hard-won advice is written by a busy mom in the trenches. Topics include: * Letting go of perfection (or anything close to it) * Making peace with the past--including the pain of disappointment, loss, and the roads not taken * Tuning in to your own wants and needs--and tuning out the

comparisons, "shoulds," and noise of social media * Finding magic in the mess * Choosing joy over fear and worry * Creating healthy boundaries so that everyone in your life can thrive (including you!) Filled with fresh insights, simple strategies, and aha moments, this is that rare book you'll want to read, share, and return to for a booster shot of confidence, connection, and joy.

Parenthood is a beautiful journey. We don't have to become adversaries with our children; doing so is very unnatural to our humanity. We are all wired for connection, for closeness, and for love. Positive parenting frees us to move from the traditional parenting roles which create friction and rebellion and allows us instead to move into a more natural role which creates cooperation and peace. The inevitable conflicts that arise in a relationship no longer define the relationship, but serve as stepping stones to greater understanding and connection. There is an abundance of resources available which tell parents why traditional parenting practices are not optimal, but few help parents learn what to do in place of traditional practices. In this book, we'll discuss the principles of positive parenting, and then we will go through more than 40 scenarios to show you what it looks like when these principles are put into action. Show more Show less

"The Power of Positive Parenting provides an in-depth description of "Triple P," one of the most extensively studied parenting programs in the world, backed by more than 30 years of ongoing research. Triple P has its origins in social learning theory and the principles of behavior, cognitive, and affective change, and its aim is to prevent severe behavioral, emotional, and developmental problems in children and adolescents by enhancing the knowledge, skills, and confidence of parents"--
