Francesco Koslovic--even his name straddles two cultures. And during the spring of 1955, in the village of Materada on the Istrian Peninsula, his two worlds are coming apart. Materada, the first volume of Fulvio Tomizza's celebrated Istrian Trilogy, depicts the Istrian exodus of the hundreds of thousands who had once thrived in a rich ethnic mixture of Italians and Slavs. Complicating Koslovic's own departure is his attempt to keep the land that he and his brother have worked all their lives. A picture of a disappearing way of life, a tale of feud and displacement, and imbued with the tastes, tales, and songs of his native Istria, Koslovic's story is a testament to the intertwined ethnic roots of Balkan history.

A companion prayer book to 99 Stories from the Bible with delightful illustrations in a strong vibrant style, and prayers for all occasions. The prayers are a

combination of traditional and modern (by Juliet David), and provide an introduction to family prayer time with young children, bringing talking to God to life in the heart of every child.

This collection of special prayers is a wonderful companion for parents and carers seeking to help children on their journey through childhood. There are verses for every occasion: for the mother to speak as the incarnating soul prepares to be born; for the baby after its birth; for very young and older children; as well as prayers for morning and evening, and graces to be spoken at the table. The context for the prayers is provided by Rudolf Steiner's lecture at the end of the book, which gives an insight into the larger cosmic relationships that individuals are immersed in before birth, during life, and after death.

The Picture of Dorian Gray by Oscar Wilde from Coterie Classics All Coterie Classics have been formatted for ereaders and devices and include a bonus link to the free audio book. “Those who find ugly meanings in beautiful things are corrupt without being charming. This is a fault. Those who find beautiful meanings in beautiful things are the cultivated. For these there is hope. They are the elect to whom beautiful things mean only Beauty. There is no such thing as a moral or an immoral book. Books are well written, or badly written. That is all.” ? Oscar Wilde, The Picture of Dorian Gray A man sells his soul for eternal youth and scandalizes the city in Oscar Wilde's The Picture of Dorian Gray.

Selected as a Book of the Year 2016 in the Guardian Reunion is a little-known but perfect novel with fans including Ian McEwan, John Boyne, Deborah Moggach, David Nicholls, Meg Rosoff and Sarah Perry. On a grey afternoon in 1932, a Stuttgart classroom is stirred by the arrival of a newcomer. Middle-class Hans is intrigued by the aristocratic new boy, Konradin, and before long they become best friends. It's a friendship of the greatest kind, of shared interests and long conversations, of hikes in the German hills and growing up together. But the boys live in a changing Germany. Powerful, delicate and daring, Reunion is a story of the fragility, and strength, of the bonds between friends. 'Exquisite' Guardian 'I loved Reunion and found it very moving' John Boyne WITH AN AFTERWORD BY RACHEL SEIFFERT

Ugo Foscolo's Last Letters of Jacopo Ortis, written between 1799 and 1815, was the first true Italian novel. Its epistolary form is in the eighteenth-century tradition of novels like Clarissa Harlowe and the Nouvelle Heloise. Jacopo's tragic love for Teresa and his subsequent suicide recall The Sorrows of Young Werther. In addition to being an intensely political novel, this work also expresses the author's romantic conception of nature as a mirror of human emotions.

Mattia Pascal endures a life of drudgery in a provincial town. Then, providentially, he discovers that he has been declared dead. Realizing he has a chance to start over, to do it right this time, he moves to a new city, adopts a new name, and a new course of life—only to find that this new existence is as insufferable as the old one. But when he returns to the world he left behind, it's too late: his job is gone, his wife has remarried. Mattia Pascal's fate is to live on as the ghost of the man he was. An explorer of identity and its mysteries, a connoisseur of black humor, Nobel Prize winner Luigi Pirandello is among the most teasing and profound of modern masters. The Late Mattia Pascal, here rendered into English by the outstanding translator William Weaver, offers an irresistible introduction to this great writer's work
