Professional No-Limit Hold 'Em was a widely anticipated book. The literature on NL hold'em is very sparse, which is somewhat odd given that it is currently the most widely played form of casino poker. Over the last couple of years, 2+2 publishing has put a number of books and series in the pipeline to try to fill that gap.

Nowadays there are about as many no-limit hold 'em tournaments as all other kinds combined, and every major tournament has a high-stake no-limit event as its culminating contest. On television, you can watch no-limit hold 'em tournaments at least three days a week (not counting reruns).

Professional No Limit Hold Em is absolutely worth the price of admission. If you are coming from a back ground in limit or tournament play this book will show you what things to think about throughout a hand. It was very enlightening to think through hands I've played in the past in light of the information that I've learned in this book.
