Follow Chaol on his sweeping journey to a distant empire in this next instalment of the THRONE OF GLASS series by global #1 bestselling author Sarah J. Maas. Chaol Westfall has always defined himself by his unwavering loyalty, his strength, and his position as the Captain of the Guard. But all of that has changed since Aelin shattered the glass castle, since Chaol's men were slaughtered, since the King of Adarlan spared him from a killing blow, but left his body broken. Now he and Nesryn sail for Antica – the stronghold of the southern continent's mighty empire and of the legendary healers of the Torre Cesme. It's Chaol's one shot at recovery, and with war looming back home, Dorian and Aelin's survival could depend on Chaol and Nesryn convincing Antica's rulers to ally with them. But what they discover there will change them both – and be more vital to saving Erilea than they could have imagined.

"Lira, a famous siren, must prove herself by stealing the heart of the man, a prince, threatening their race"--

The #1 New York Times bestselling sequel to Sarah J. Maas's stunning and seductive A Court of Thorns and Roses.

Outside a glittering party, I saw a man in the dark. I didn't know then that he was an assassin. A hit man. A mercenary. Ronan radiated danger and beauty. Mercy and mystery. I wanted him, but I was already promised to another man. Ronan might be the one who murdered him. But two warring families want my blood. I don't know where to turn. In a mad world of luxury and secrets, he's the only one I can trust.

The sexy, action-packed first book in the #1 New York Times bestselling Court of Thorns and Roses series from Sarah J. Maas. When nineteen-year-old huntress Feyre kills a wolf in the woods, a terrifying creature arrives to demand retribution. Dragged to a treacherous magical land she knows about only from legends, Feyre discovers that her captor is not truly a beast, but one of the lethal, immortal faeries who once ruled her world. At least, he's not a beast all the time. As she adapts to her new home, her feelings for the faerie, Tamlin, transform from icy hostility into a fiery passion that burns through every lie she's been told about the beautiful, dangerous world of the Fae. But something is not right in the faerie lands. An ancient, wicked shadow is growing, and Feyre must find a way to stop it, or doom Tamlin—and his world—forever. From bestselling author Sarah J. Maas comes a seductive, breathtaking book that blends romance, adventure, and faerie lore into an unforgettable read.

Robert V. Remini's prize-winning, three-volume biography Life of Andrew Jackson won the National Book Award on its completion in 1984 and is recognized as one of the greatest lives of a U.S. President. In this meticulously crafted single-volume abridgment, Remini captures the essence of the life and career of the seventh president of the United States. As president, from 1829-1837, Jackson was a significant force in the nation's expansion, the growth of presidential power, and the transition from republicanism to democracy. Jackson is a highly controversial figure who is undergoing historical reconsideration today. He is known as spurring the emergence of the modern American political division of Republican and Democratic parties, for the infamous Indian removal on the Trail of Tears, and for his brave victory against the British as Major General at the Battle of New Orleans. Never an apologist, Remini portrays Jackson as a forceful, sometimes tragic, hero—a man whose strength and flaws were larger than life, a president whose conviction provided the nation with one of the most influential, colorful, and controversial administrations in our history.

New York Times bestselling author Kevin J. Anderson triumphantly returns to epic fantasy with the Wake the Dragon series. Spine of the Dragon is a politically charged adventure of swords, sorcery, vengeance, and the rise of sleeping giants. Two continents at war, the Three Kingdoms and Ishara, are divided by past bloodshed. When an outside threat arises—the reawakening of a powerful ancient race that wants to remake the world—the two warring nations must somehow set aside generational hatreds and form an alliance to fight their true enemy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
