Junot Diaz reading and lecture (2008)

From the author of *The Dirty Girls Social Club* comes another fast, funny, soulful, and sexy novel about friendship and love amid Latinas. It's a jungle out there -- in Los Angeles, that is, where the tangle of freeways and ingrained insincerity can make a girl feel very alone, no matter how fabulous the weather or how cute the clothes at the South Coast Plaza mall. With very different styles and attitudes,

Marcella, Olivia, and Alexis are trying to crack the code in L.A, trying to snare love and success. But first they have to come together—to make their marks and plan the fun they're going to have along the way. Marcella is a hot, sharp young television actress who's barely able to enjoy the life she's bought for herself and certainly isn't enjoying her body, which is never quite perfect enough. Olivia, whose life revolves around her toddler son, Jack, is tethered to her suburban mommy track so tightly she can almost forget the horrible thing that happened to her family when she was a child herself. Alexis is a musicians' manager with a smart mouth, an ample body, and loads of style but barely enough self-esteem to fill a Prada card case. And the boys in their lives? Marcella's had about enough of them throwing themselves at her; Olivia's boy is her son; and Alexis is still searching, not

for a boy this time, but for a man. Playing with Boys is a savvy novel with charm, style, and heart to spare.

Alisa Valdés-Rodríguez's vibrant, can't-put-it-down novel of six friends--each one an unforgettable Latina woman in her late '20s--and the complications and triumphs in their lives Inseparable since their days at Boston University almost ten years before, six friends form the Dirty Girls Social Club, a mutual support and (mostly) admiration society that no matter what happens to each of them (and a lot does), meets regularly to dish, dine and compare notes on the bumpy course of life and love. Las sucias are: --Lauren, the resident "caliente" columnist for the local paper, which advertises her work with the line "her casa is su casa, Boston," but whose own home life has recently involved hiding in her boyfriend's closet to

media, and community. Allows readers to see more than an “expert opinion”, prompting them to form their own views. Readings and images revolve around mass media, popular arts, and technology. Sparks and holds readers' interest, and allows for reader “expertise” in discussions and assignments. Chapter on virtual community revolves around the newest technology of writing and literacy. Helps readers develop computer literacy skills in both the production and consumption of on-line materials. Offers readers opportunities to practice their cultural literacy within their own communities. Offers readers online, web, and Internet writing assignments. Varied topics, writers, and issues represent a cross-section of current cultural readings. Appropriate for readers interested in the humanities, American cultural studies, and journalism.

2013 Laura Ingalls Wilder Award Rosa's mother is singing again, for the first time since Papa died in an accident in the mills. But instead of filling their cramped tenement apartment with Italian lullabies, Mamma is out on the streets singing union songs, and Rosa is terrified that her mother and older sister, Anna, are endangering their lives by marching against the corrupt mill owners. After all, didn't Miss Finch tell the class that the strikers are nothing but rabble-rousers—an uneducated, violent mob? Suppose Mamma and Anna are jailed or, worse, killed? What will happen to Rosa and little Ricci? When Rosa is sent to Vermont with other children to live with strangers until the strike is over, she fears she will never see her family again. Then, on the train, a boy begs her to pretend that he is her brother. Alone and far from home, she agrees to protect him .

. . . even though she suspects that he is hiding some terrible secret. From a beloved, award-winning author, here is a moving story based on real events surrounding an infamous 1912 strike.

The gripping tale about two boys, once as close as brothers, who find themselves on opposite sides of the Holocaust. "A novel of survival, justice and redemption...riveting." —Chicago Tribune, on *Once We Were Brothers* Elliot Rosenzweig, a respected civic leader and wealthy philanthropist, is attending a fundraiser when he is suddenly accosted and accused of being a former Nazi SS officer named Otto Piatek, the Butcher of Zamosc. Although the charges are denounced as preposterous, his accuser is convinced he is right and engages attorney

Catherine Lockhart to bring Rosenzweig to justice. Solomon persuades attorney Catherine Lockhart to take his case, revealing that the true Piatek was abandoned as a child and raised by Solomon's own family only to betray them during the Nazi occupation. But has Solomon accused the right man? Once We Were Brothers is Ronald H. Balson's compelling tale of two boys and a family who struggle to survive in war-torn Poland, and a young love that struggles to endure the unspeakable cruelty of the Holocaust. Two lives, two worlds, and sixty years converge in an explosive race to redemption that makes for a moving and powerful tale of love, survival, and ultimately the triumph of the human spirit.

**RICK WARD WANTS TO GO TO WAR.**  
And he's not sure why. Maybe he's running from his dad and his crazy temper.

## Alisa Valdes

Maybe he's running from his girl, who seems to think he's more of a joke than a man. Or maybe he's just running -- to find himself. But after Rick ventures into the Vietnam jungle, he discovers that no one -- not protestors, politicians, or writers -- has got a clue. War is far bigger, scarier, and more complicated than anything he ever could have imagined.

'Travel to Skagen and find him. Give him my letter. Seek a better life, Marianne! Promise!' Bound by a vow made to her dying mother, Marianne sells her few belongings and leaves Grimsby. Her destination? Denmark, where she will search for her father, Lars Christensen-the golden-haired fisherman her mother fell in love with many years before. The journey will be long-and dangerous for a young girl travelling alone. As Marianne boards the fishing boat that will carry her across

the North Sea, she wonders: will Denmark be the fairy-tale land she has dreamt of? Will she find happiness there? Will the father she has never met welcome the arrival of his illegitimate child? And why didn't he return for her mother, as he promised he would?

The best-selling author of *A Blaze of Glory* presents a first installment in a new trilogy inspired by the Siege of Vicksburg that follows Ulysses S. Grant's successful cross of the Mississippi in May 1863 and his reluctant decision to surround Confederate soldiers and citizens in a ring of Federal entrenchments to starve them into surrendering.
