This is a seminal study of the economic history of the Jewish community of Aragon, covering a period of about 125 years from the beginning of the thirteenth century until 1327. Among other topics, the book deals with the policy of the Crown

Download File PDF S2

towards money-lending and commerce in the Jewish community; the community's control over its members' economic activities; the Jews' loans to the king, and their taxes and subsidies to the Crown. The book offers information

Download File PDF S2

on the Jews' contribution to economic history, that has been very little studied so far. It will be of interest to economic historians, historians of Jewish Middle Ages, hispanists, and medievalists in general.

Welcome to IM'97!
We hope you had
the opportunity to
attend the
Conference in
beautiful San
Diego. If that was
the case, you will
want to get back to
these proceedings
for further read
ings and
reflections. You'll
find e-mail

Download File PDF S2

addresses of the main author of each paper, and you are surely encouraged to get in touch for further discussions. You can also take advantage of the CNOM (Committee on Network Operation and Management) web site where a virtual

Download File

PDF S2

discussion agora has been set up for IM'97 (URL: <http://www.cselt.stet.it/CNOMWWWIIM97.html>). At this site you will find a brief summary of discussions that took place in the various panels, and slides that accompanied some of the

Download File PDF S2

presentations--all courtesy of the participants. If you have not been to the Conference, leafing through these proceedings may give you food for thought.

Hopefully, you will also be joining the virtual world on the web for discussions with authors and

Download File PDF S2

others who were at the Conference. At IM'97 the two worlds of computer networks and telecommunication systems came together, each proposing a view to management that stems from their own paradigms. Each world made clear the need for

Download File PDF S2

Integrated
Science Paper
1213

end-to-end management and, therefore, each one stepped into the other's field. We feel that there is no winner but a mutual enrichment. The time is ripe for integration and it is likely that the next Conference will bear its fruit.
