Placing an emphasis on global perspectives and current research, this wide praised and adopted sociology textbook introduces the reader to the field of sociology. John Macionis, like many people, took a college course that shaped his life. His first sociology course helped him make sense of the world. John shares his enthusiasm, excitement, and teaching experience through a clear and engaging writing style and emphasis on sociology's relevance to everyday life.

Seeing Sociology in Everyday Life Society: The Basics is designed to help students view their everyday lives through a sociological lens. With a strong theoretical framework and a global perspective, Society offers students an accessible and relevant introduction to sociology. In Society: The Basics, Eleventh Edition, John J. Macionis shares his enthusiasm and teaching experience with a clear and engaging approach. This is just the standalone book.

Sociology: A Global Introduction, with its international outlook and cultural diversity, represents a unique and complete learning resource for sociology students worldwide. Each chapter addresses a new change in society, and reveals how progress in society often comes at a price. This text has been fully updated to include the latest key debates, topics and data, and also highlights the importance of technology in contemporary social life.
