'Speakout' is a 6-level general English course for adults developed in association with the BBC; bridging the gap between the classroom and the real world helping students express themselves in English.

Face2Face second edition is a fully updated and redesigned edition of this best-selling general English course for adults and young adults who want to learn quickly and effectively in today's world. Based on the communicative approach, it combines the best in current methodology with innovative new features designed to make learning and teaching easier. Vocabulary and grammar are given equal importance and there is a strong focus on listening and speaking in social situations.

This fully revised third edition builds on the task based learning approach that has made 'Cutting Edge' so popular. With new DVD-ROM material and digital components, learners can be confident of improving their language skills through a carefully balanced range of activities.

Could you use a good laugh? This definitive guide by the founder of the worldwide laughter yoga movement will show you how to giggle your way to good health! Bring laughter into your life at any time of day--no special equipment needed, no new wardrobe, no expensive classes, not even a sense of humor! Laughter yoga is all about voluntary laughter--how you can learn to laugh even in the absence of humorous stimuli, and reap the extraordinary, scientifically proven benefits, which include stress reduction, pain relief, weight loss, heightened immunity, and, especially, enhanced mood: If you act happy, you'll become happy--your body can't tell the difference! Children laugh more than 300 times a day, adults fewer than fifteen. But it's easy to start laughing again. The exercises in this book combine voluntary laughter with yogic breathing to give you a full body-mind workout. And it turns out that laughter is the fastest way to reduce stress and the best kind of cardio: Ten minutes of hearty laughter is equal to thirty minutes on the rowing machine. With Laughter Yoga, join the growing worldwide movement and discover how laughter really is the best medicine. A PENGUIN LIFE TITLE

A new edition with a modified syllabus and extensive new material.

Speakout is a comprehensive English course that helps adult learners gain confidence in all skills areas using authentic materials from the BBC. With its wide range of support material, it meets the diverse needs of learners in a variety of teaching situations and helps bridge the gap between the classroom and the real world.

Inductive or deductive? Theoretical, descriptive or prescriptive? Comprehensible input or pedagogical grammar? Graham Burton and Diane Hall explain the basic differences between these terms and delve more deeply into the approach favoured by most coursebooks. This practical guide walks you through the most suitable approaches for different learning scenarios and what constitutes best practice for each one. This book provides: - a theoretical overview of grammar and the different positions of grammar experts on its role in ELT materials.- checklists covering the characteristics of good grammar presentations, and form and use activity types.- descriptions of numerous resources the grammar writer will find indispensable.- practical tips for writing rules, explanations and rubrics.- tasks that encourage you to test out what you've read, and detailed commentaries that provide further insights. This book forms part of the ELT Teacher 2 Writer training course. The course is designed to help you write better ELT materials, either for publication, or simply to improve the quality of your self-produced classroom materials
