Stephen R. Covey's "The 7 Habits of Highly Effective People" is a classic, best-selling self-help book, and with good reason: in it, he shares an approach for solving personal and professional problems. Through anecdotes and insights, this step-by-step guide reveals principles for living with fairness, integrity, service, and dignity.

The 8 Best Management Books of 2020

File Type PDF Supervisory Management Textbook

If they and their organizations are to survive, managers at all levels must be at the forefront of planning for and coping with trends, factors, and problems requiring more effective management. This book focuses primarily on the first tier of management, which generally is referred to as the supervisory level, or supervisory management.

This book is based on the original work done by Frank Hoffman, cofounder of Practical Management, Inc. (PMI). His work was presented in audio cassette/workbook format as complete self- instructional material that included various case problems and exercises. In this book we have tried to separate the exercises from the body of information.
